# CAPT KATHRYN JANEWAY

## COFFEE

**Positive Status Effect** **Stack limit: 5**

**Spend to gain CP**

Once per turn during your Main Phase, spend these tokens for one of the following effects:

- **Spend 1:** Gain 1 CP.
- **Spend 2:** Roll one die and gain half the roll value (rounded up) as CP.

## COMMAND CODES

**Positive Status Effect** **Stack limit: 5**

**Spend to modify dice**

During any Roll Phase, spend Command Codes for one effect:

- **Spend 1:** Reroll any one of your own dice.
- **Spend 4:** Select one of your opponents dice to force them to reroll it, or change any one of your dice to any value except six.
- **Spend 5:** Change one of your dice to a six.

## REPRIMAND

**Negative Status Effect** **Stack limit: 2**

**Make Roll Action Cards cost additional CP**

The next time a player with this token would play a Roll Phase action card, they must pay one extra CP for each Reprimand token to play the card. Then remove all Reprimand tokens.
