LT CMDR TUVOK

MIND MELD

Unique Status Effect **Stack limit: 1**

You may spend this token during your Main Phase or an opponent's Offensive Roll Phase.
During your Main Phase, choose an opponent. They must reveal their hand to you.
During an opponent's Offensive Roll Phase, spend this before they roll. You can control their first reroll or force them to skip it.
Their second reroll attempt proceeds as usual.
This token may not be removed or transferred by any means.

LOGIC

Positive Status Effect **Stack limit: 5**

You may activate the chosen effect as many times as your Logic stack will support.
Spend 1: During Offensive Roll Phase add 1 (attack modifier).
Spend 1: During Defensive Roll Phase prevent 1.
Spend 2: During Upkeep Phase look at the top card of your deck. Put it back on top or put it on the bottom of your deck.
Spend 3: During Upkeep Phase gain 1CP or draw 1.
Spend 4: During Main Phase 1 or inflict 1.

TARGETED

Negative Status Effect **Stack limit: 1**

When a player afflicted with this token is attacked by an opponent, the attacker increases their damage by 2. This is an Attack Modifier and persists until removed.

PROTECT

Positive Status Effect **Stack limit: 1**

A player with this token may spend it at any time to prevent half of their incoming damage, rounded up. If two Protect tokens are spent against the same attack, both independently halve the damage. Protect gained from a Defensive Ability may be spent immediately.
